If there is no gas in the property (electric heating and hot water) the Electric Allowance Kwh is doubled.

The chart details the maximum usage allowance of gas, water, and electricity for a 50-week tenancy in accordance with the number of tenants for the property (should the tenancy term vary from 50 weeks, the allowance will be apportioned accordingly to cover the term of the tenancy). Should these figures be exceeded the Landlord reserves the right to levy a charge to cover the cost for the additional usage. It is the Tenants responsibility to monitor their own usage.

With an excellent West End location, the property stands in very good order throughout. There are four bedrooms, open plan lounge and modern fitted kitchen, bathroom with shower over bath! Up to 2 parking permits available through City of Lincoln Council permit scheme for a fee. Gas central heating.
