If there is no gas in the property (electric heating and hot water) the Electric Allowance Kwh is doubled.

The chart details the maximum usage allowance of gas, water, and electricity for a 50-week tenancy in accordance with the number of tenants for the property (should the tenancy term vary from 50 weeks, the allowance will be apportioned accordingly to cover the term of the tenancy). Should these figures be exceeded the Landlord reserves the right to levy a charge to cover the cost for the additional usage. It is the Tenants responsibility to monitor their own usage.

Spacious four bedroom student property, which benefits from two bathrooms. Conveniently located close to the City Centre and University, this student house is ideally located for all local amenities. Up to 2 parking permits available through City of Lincoln Council permit scheme for a fee. Gas central heating.

\*Price displayed is as per person per week\*

The deposit payable on the first day of your tenancy is just **\*\*£200.00\*\*** per person along with the first months' rent.

The total rent due for the property will increase by £34.75 per week for any non-students (rental shares can be apportioned per tenant, meaning one or more tenants can contribute to this).
