If there is no gas in the property (electric heating and hot water) the Electric Allowance Kwh is doubled.

The chart details the maximum usage allowance of gas, water, and electricity for a 50-week tenancy in accordance with the number of tenants for the property (should the tenancy term vary from 50 weeks, the allowance will be apportioned accordingly to cover the term of the tenancy). Should these figures be exceeded the Landlord reserves the right to levy a charge to cover the cost for the additional usage. It is the Tenants responsibility to monitor their own usage.

The spacious property features two reception rooms, both with decorative feature fireplaces, along with a modern fitted kitchen. To the first floor there are two good sized bedrooms, one benefitting from built in wardrobes, and a modern family bathroom with a shower over the bath.

The property also benefits from a versatile basement level offering a spacious and private area, complete with its own shower room. In addition to being used as a bedroom, this space could easily serve as a comfortable living area or a quiet home office. Well presented and thoughtfully arranged, it also features patio doors leading directly to the garden, a useful storage and utility area, and the added convenience of a second shower room.

To the rear is an enclosed garden enjoying views of the Castle walls.

Up to 2 parking permits available through City of Lincoln Council permit scheme for a fee. Gas central heating.
